

Intro

RCA is a target archery club affiliated to Archery GB.

We are a not-for-profit club run by volunteer members.

Recurve, compound, barebow and longbow are welcome. Crossbow is not permitted.

We have coaches qualified to Session Coach (L1) or Development Coach (L2).

The club aims to be inclusive for all ages, abilities, genders, etc. Safeguarding of all our members is important especially for children and young people.

We have strong safeguarding policies - see club Admin noticeboard.

Contact Details

The mobile, email and address you enter on WebCollect will be used to create your Archery GB account and to keep you informed of club news.

You must keep your contact details up to date.

New Members

New members are encouraged to buy their personal accessories, e.g., finger sling, finger tab, arm guard, chest guard, quiver, bow stand, arrow puller.

Please do not buy your own bow or arrows too soon, they will quickly become unsuitable and will need to be replaced.

Use club equipment for a small voluntary contribution of £1 per session.

When you are ready for your own bow our coaches will gladly help you.

Induction

After joining as a member you will need Induction - range guide and club rules.

There is a small refundable deposit for your key and fob.

Seniors £10; Juniors £5 (no key).

Pay your Induction deposit on WebCollect: webcollect.org.uk/rca.

Indoor Range

Members of RCA can use the indoor range 24/7, except Friday nights.

Junior archers must be accompanied by a responsible adult.

Friends/family can come to the range with you as spectators but cannot shoot.

Boost

Coaching for new archers who have completed the Beginners Course.

Run by Garry Partington and Andrew Taylor every Tuesday, except 2nd Tuesday of each month when there is a Committee Meeting.

U18/U25s

We welcome junior archers from age 8.

We have a dedicated club night for Under 18s and Under 25s.

The U18/U25s club meets every Friday night 6:30-9:00pm.

During the Friday night session, the range is closed to senior archers for shooting.

The session will always have a coach present.

All coaches are DBS checked.

Our junior archers also get extra coaching with Lancs Junior Squad.
