

BEGINNER COURSE SAFEGUARDING

REMINDERS TO ALL COACHES AND VOLUNTEERS

2024 v02

- Please be a good role model.
- Please act safely.
- We must follow the AGB Safeguarding Policies.
- The AGB Safeguarding Policies and RCA safeguarding flowcharts, guides and forms are on the club Admin noticeboard and on the club website.
- The lead coach will receive private participant information such as injuries, disabilities or special needs. Please respect the archers' confidentiality.
- We must use appropriate language, including appropriate content, particularly around children and young people.
- If you need to correct an archer's posture, ask their permission first.
- All physical contact must be minimal and appropriate.
- Be mindful of the injuries an archer can get e.g. bruised arm. Take steps to reduce the risk e.g. correct bow hand to turn elbow and wear arm guard.
- If First Aid is required help them, even if you are not a First Aider.
- Do not take children or young people into the kitchen alone, always ask someone else to go with you. This protects us as well as the archer.
- Do not take photographs or videos of any participants.
- The Media Officer will take a group photograph of the archers, coaches, and volunteers at the end of the course. This will not include names.
- If someone makes a disclosure to you it is your responsibility to follow the RCA safeguarding procedures. Write down exactly what happened or what was said. Do not use leading questions, make judgements, or express opinions.
- Report all disclosures to:
 - Safeguarding Officer, Rachael Quigley, [REDACTED],
 - Deputy Safeguarding Officer, Andrew Taylor, 07774 285500.
- Volunteers can do online training through the NSPCC.

Date

I understand and agree to follow the above guidelines.
